Dear Parent/Guardian:

Children need healthy meals to learn and to grow. This child care program provides meals everyday to all enrolled children.

Your child is enrolled in a child care program participating in the USDA's CACFP through an agreement with our agency. Under this agreement, the child care center receives reimbursement for meals served to your child while in care. The amount of reimbursement received by the center depends on the eligibility status of the households of children in care. **Please return the Meal Benefit Form to the child care center.** Please complete, sign and return the form to us as soon as possible. All children enrolled in our center receive their meals at no separate charge, but the determination of eligibility category affects the amount of Federal funding received by the child care center.

Current Federal and State supported benefit programs meeting the criteria for categorical eligibility with an eligibility limit that does not exceed eligibility standards for free/reduced price meals are: Food Stamps and the Family Independence Program (FIP). If your household currently receives benefits under the Food Stamp Program or the Family Independence Program (FIP), you need to list the child's name and food stamp or FIP case number on the form. You must also have an adult sign and date the form. **If you received a Direct Certification Letter from the Department of Human Services, please give us a copy of the letter (or the actual letter) instead of completing a Meal Benefit Form.**

However, if your household does not receive benefits under the Food Stamp Program or FIP, please complete the Meal Benefit Form and make sure you provide the names of all household members and their income by source and have an adult sign, date and provide his/her social security number, or indicate that the individual does not have a social security number at this time.

For all households: USDA defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., shared living expenses). Therefore, the income reported on the Meal Benefit Form must include the gross income of all members of your household, by source, for the prior month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as basis to make this projection.

**INCOME ELIGIBILITY GUIDELINES
FOR FREE AND REDUCED PRICE MEALS**

Effective July 1, 2008 - June 30, 2009

Household Size	Annual	Monthly	Weekly
1	\$19,240	1,604	370
2	25,900	2,159	499
3	32,560	2,714	627
4	39,220	3,269	722
5	45,880	3,824	883
6	52,540	4,379	1,011
For each additional Family Member, add	+6,660	+555	+129

You may apply at any time during the year if your household size goes up, income goes down, or if you start getting Food Stamps, FIP or other benefits. You should also notify us if you become unemployed and the loss of income during the period of unemployment causes your household income to be within the eligibility standards.

Foster children: For households with foster children, please refer to the instructions on How to Complete the Meal Benefit Form or contact us for additional information.

Confidentiality of Information on the Meal Benefit Form: We may inform officials of other child nutrition, health and education programs of the information on your form to determine benefits for those programs.

Program Discrimination Clause: In accordance with Federal law and the U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (800) 795-3272 or (202) 720-6382 (TTY).
